But what can you expect from the DSOBS. Not just a helping hand but a real fraternity of 5000 odd brothers that will go out of their way to help and support you in all endeavors.

The DSOBS gives bursaries to boys of Dosco parents and has done so for many many years. The society serves as the centre for so very many funding programs for our schools infrastructure.

The DSOBS is the go to point arranging dosco networking events in various parts of the world, assisting batches in any way possible, assisting old boys wanting to come back and visit school, and in the near future providing a platform for old boys to seek out employment opportunities offered by others in the Society. This is just to name a few expectations.

Let me just say that the more you put into our Society, the more active you are, regardless of where in the world you live, the more you will benefit from a truly incredible fraternity.

In a very short period of time, you will all set out on your varied journeys. While you will no longer be a student at Doon the tag Dosco will remain with you forever. You will soon be laughing at the same joke told innumerable times by your closest of friends every time you meet them! As time goes by you will realise that your journey at Chandbagh has been inscribed into your heads and hearts. As you all chart your various courses, do remember
